Kansas City Dressed Beef at Garrett & Hennessy's.

We are informed by T. J. Moyer that J. E. Palmer and family will return to Flagstaff about the first of July to make this their home. They are now at Pittsburg, Penn. Mr. Palmer will resume his old position here with the Western Union telegraph company.

James Parker, L. O. Miller and the Mexican who escaped jail at Prescott, have all been indicted for the murder of Lee Norris. Parker and Miller will be tried during this term of the district court at Prescott. Joseph Morrison and G. Arthur Allen represent them.

The proprietors of the New Buck and Grand Canyon hotels say tourist business is greater than it ever has been at this time of year before. The Stage line to the Grand Canyon is doing a big business, and tourists and sightseers as well as health seekers are arriving on every train.

Rev. G. F. Boyard of Los Angeles, Superintendent of Methodist Mission will preach in the Methodist church Sunday morning. Children's day will be observed at night. An excellent program will be given by the children and young people. Don't fail to attend these services. C. P. WILSON, Pastor.

A large crowd of people ascended Observatory hill Saturday night to take a view of Jupiter, Saturn and their satellites. The night was very clear and a splendid view was had, all enjoying the sights very much, and they feel grateful to the Professors for the courteous treatment they received.

All those who attend the celebration here on the 5th and 6th of July should not fail to avail themselves of a visit to the Grand Canyon. There will be a large excursion party leave here on the 7th, for the Canyon and a few days can be very pleasantly spent looking at this wonderful piece of God's mechanism.

Dr. T. J. J. See received a telegram yesterday from Percival L. well, who is in Boston, stating that Alvan G. Clark, the well known lens-maker, died at his home in Cambridge that morning. Mr. Clark is known to a number of our citizens by reason of his sojourn here, accompanied by his daughter, last summer.

The gun club will make its part of the celebration a success, and no small degree of interest will be attached to the gun shot match. It is now ascertained that the Gallup, Winslow, Williams, Prescott and very probably Phoenix teams will join in the contest. Our boys are practicing and the team will be hard to catch.

The devotees of baseball—and those who are not—are sore—make a practice of repairing to the fair grounds every Sunday afternoon and officiating as "rooters" and "cranks" at the exciting contests on the diamond. The game played last Sunday required the services of three different umpires and resulted in a score of 21 to 11.

General passenger and freight agent, Don A. Sweet of the A. & P. railroad company, has written C. W. Davis, vice here, that his company will give one fare free to all parties wishing to attend the 4th of July celebration in Flagstaff, and will probably be able to extend the limit of the tickets so as to give the visitors the advantage of the excursion to the Grand Canyon after the celebration is over.

Baseball is an American game, just as much as the whipping of George III's Hessians was a Yankee trick. Baseball and Fourth of July patriotism go hand in hand. The tournament on July 5th and 6th will fan the flame of patriotism and instill in the minds of the young and old that a genuine baseball game will draw a bigger crowd than a sham battle.

Harry Hoxworth is entitled to the thanks of the residents of the Verde for the repairing of the stretch of bad road from Rattlesnake Tanks to Beaver Head. Mr. Hoxworth came into town Monday morning, hauled down there and reported the roads in a fearful condition. Our citizens were interviewed by him in the matter and Supervisor J. A. Vail acted as a committee of one to collect money.

tions for the repair of the road. The citizens responded most liberally and some \$500 was raised. This particular part of the Verde road is now practically impassable and unless repaired would prevent the residents of the Verde from joining us in our Fourth of July celebration. Work will begin at once and the whole Verde road will be in excellent shape by July 1.

J. B. Pouthie, the foundryman, had the misfortune while on Oak Creek this week to break a rib in the left side. He had climbed up a steep cliff to examine the rocks for traces of gold, which he had been informed by Andy Kline existed there, and at an unfortunate time missed his footing and fell, his left side striking on a sharp limb of a tree. The injury is not very serious, but quite painful.

Professors W. H. Williams of the Gallup High School and W. H. Seaton of the Scurro School of Mines, and young Cotton, son of C. N. Cotton of Gallup arrived here on Sunday, a wheel, having made the entire trip from Gallup on bicycles. They covered sixty miles Saturday and are expert wheelmen. The gentlemen, who are combining pleasure with making observations of the different geological formations of this interesting part of Arizona, left Monday, a wheel, for the Grand Canyon of the Colorado.

The Santa Fe railroad company will run excursion trains from Albuquerque to Los Angeles, Santa Monica, Redondo Beach and San Diego, Cal., at the following rates: From Albuquerque, Wingate, Gallup, Navajo Springs and Holbrook, \$40; Winslow, \$38; Flagstaff, \$31; Williams, \$28; Ash Fork, Seligman and Peach Springs, \$25; Hackberry, \$24; Kingman, \$22; Needles, \$21. Tickets will be issued on June 16th and 30th, July 14th and 28th, and August 11th and 25th and good for the round trip and limited to 30 days.

The ball is still rolling and patriotism is still burning in the hearts of our citizens. The coming Fourth of July celebration will far eclipse anything in the way of enjoyment yet held in the mountain city. The grounds for the races and baseball are in good shape and everybody is expecting a day of fun and pleasure. The races will be good. The bicycling department of the day will be complete and good riding will be done. The baseball teams will be an attractive feature, and the tug of war will add merriment to the occasion.

The five-year-old son of Mrs. Riggs met with a very distressing accident last Thursday afternoon. Mrs. Riggs and the children are stopping with the family of Ben Lang, and the little boy, accompanied by an elder brother, had insisted on accompanying Mr. Lang, when he was at work. The two boys were amusing themselves and the elder one picked up an ax and lifted it to strike a stump. Just then the little fellow placed his hands on the top of the stump. The ax descended and cut off all the fingers of the right hand close to the palm and two joints of the fore and one of the middle fingers of the left hand. The little fellow was taken home and Dr. D. J. Brannen called, who dressed the hands. The little fellow is resting easy and getting along nicely.
